- Scholarship from CAPES – Agency for Research from the Brazilian Federal Government, August 2017 – July 2018
- Scholarship from the Max Planck Institute Luxembourg, February 2020 – August 2020

Vitoria Law School (Faculdade de Direito de Vitoria – FDV), Brazil

PhD at Law *cum laude* (Human Rights), September 2020

- Thesis: *“Legal Remedies Against the Plastic Pollution of the Oceans: an analysis of the attempts from public international law and private initiatives to face the plastic soup” (in Portuguese)*
- Thesis selected as best thesis defended in the university in 2020 and nominated to the CAPES Award for thesis, from the Brazilian Federal Government
- Merit scholarship from the university
- Average 10,0 out of 10,0
- *Cum laude distinction*

Vitoria Law School (Faculdade de Direito de Vitoria – FDV), Brazil

Master at Law (Human Rights), December 2013

- Thesis: *“Sustainable Development and the Capitalist Mode of Production” (in Portuguese)*
- Merit scholarship from FAPES (agency for research of the State of Espirito Santo)
- Thesis approved with grade 10.0 out of 10.0 and appointed for the Vale-CAPES Award of sustainability research, after an internal selection with all thesis from the university that year and the previous one

Federal University of Parana (UFPR), Brazil

Specialization at Economics and Environment, December 2015

- *Dissertation: "O Caso da Cidade Fujisawa e o Tripe do Desenvolvimento Sustentavel"*

Vitoria Law School (Faculdade de Direito de Vitoria – FDV), Brazil

Bachelor at Law, December 2011

- *Graduated as 1st of the class*
- *Semester abroad in an academic exchange at Coimbra University. There, I won the Award Dr. Machado Vilela, as best student in International Law.*
- *At Vitoria Law School, I won the award of academic distinction each year.*
- *I was Awarded the Massimo D'Antona Award, by Association EIDOS (Istituto Europeo di Documentazione e Studi Sociali), in Italy, to the best Bachelor student in the social sciences with potential to impact society.*
- *Conducted research with scholarship.*
- *Was a member of a research group for 2,5 years*
- *Was tutor of two different courses.*
- *Average 9.2 out of 10.0*
- *Had a merit scholarship during the whole course*

Federal University of Espirito Santo (UFES), Brazil

Bachelor at Physics, July 2009

- *Conducted research with scholarship from CNPq (agency from the Brazilian Federal Government for research)*
- *Average 9.0 out of 10.0*

JOB EXPERIENCE

United Nations University FLORES, Dresden (Germany) – remote work

Research Associate, March 2021 – March 2023

Visiting Scholar, December 2020 – February 2021

Leading role on researches about plastics, including plastic taxation, plastic chemical recycling, standards, and comparative law (international, European, German, Italian, British, and Korean)

Maastricht University, Maastricht (The Netherlands) – remote work

Master thesis supervisor at the Maastricht Sustainability Institute, January 2021 – August 2023

Mandate of the United Nations Special Rapporteur on Toxics and Human Rights, Washington-DC (USA) and Geneva (Switzerland) – remote work

Researcher, May 2021 – January 2022

- *Researcher responsible for drafting the report on plastics, toxics, and human rights (UN doc A/76/207)*

The Graduate Institute Geneva, Geneva (Switzerland) – remote work

Research Associate at the Global Governance Centre, October 2020 – October 2021

- *Researcher in the field of plastics and petrochemical industry*
- *Responsible for research, report drafting, academic paper drafting, and organization of academic and high level events*

University of Toronto, Toronto (Canada) – remote work

Compliance Analyst at the G20 Research Group - Responsible for the topic "Environment: Marine Plastic Litter" in Canada and Italy, February 2021 – September 2021

Max Planck Institute Luxembourg for International, European and Regulatory Procedural Law, Luxembourg

Guest Researcher at the Department of International Law, February 2020 – November 2020

- *Researcher in the field of International Law and International Environmental Law*
- *Collaborator to the project "Representing the Absent", with a chapter about environmental protection for future generations at the Inter-American Court of Human Rights*

Vitoria Law School (Faculdade de Direito de Vitoria – FDV), Brazil

Lecturer, April 2014 – July 2020

- *Responsible for mandatory and elective courses at the Bachelor program, such as: Introduction to Sustainability Law, Corporate Social Responsibility, History, Culture and Institutions of Brazilian Law*

- *Supervisor of Bachelor and Specialization research*
- *Coach for Moot Court Competitions. Several awards received, including: Best Team in defense of the State – Moot Court Competition, Bar Association - OAB/SP 2017; Best Speaker - Moot Court Competition, FGV Direito Rio, Universidad de Los Andes Facultad de Derecho e Tulane University Law School 2015; Best Team - Moot Court Competition, FGV Direito Rio, Universidad de Los Andes Facultad de Derecho e Tulane University Law School 2015; Best Respondent's Brief - Moot Court Competition, FGV Direito Rio, Universidad de Los Andes Facultad de Derecho e Tulane University Law School 2014*

Coordinator of Institutional Relations, January 2019 – January 2020

- *Lead and maintain the institutional relations with high schools and with civil and governmental organizations*
- *Receive and guide new students*

Coordinator of Extension Activities, March 2011 – January 2019

- *Responsible for all projects connecting the university and society*
- *Direct supervision of two extension projects:*
 - o *“Constituicao no Concreto”, which dealt with finding solutions to violations of constitutional rights, by means of contacting governmental and non-governmental organizations, proposing new legislation, raising public awareness, and so on.*
 - o *“Comissao de Sustentabilidade”, which designed and implemented sustainability measures inside and outside of the university. To bring just one example, the development, implementation, and follow-up of the waste management of the university, and consultancies to do the same in the headquarter of the public prosecutor's office and some high schools.*
- *I was awarded the “Premio Tiao Sa” Award, which is handled by the Municipality of Vitoria to groundbreaking initiatives to make the city more sustainable.*

Head of International Relations Office, July 2013 – January 2019

- *Responsible for creating and maintaining partnerships and agreements with foreigner universities.*
- *Selecting and preparing outgoing exchange students.*
- *Preparing and receiving incoming exchange students.*
- *Assisting professors in international events and applications.*
- *I was co-founder, together with heads of international offices of five other universities, of the “Rede de Internacionalização da Educação do Espírito Santo – RIEES” (Network for the Internationalization of the Espírito Santo State”. It is a collaboration group to promote and foment international cooperation between educational institutions in Espírito Santo with foreigner universities and research centers, through joint action, information and experience exchange.*

Secretary of State for the Environment and Water Resources of the State of Espírito Santo, Brazil

Legal Coordinator for the Environment and Water Resources, August 2015 – July 2016

- *Legal advisor for the Secretary and for the state and regional committees and commissions*
- *Responsible for the adequate procedure of the administrative case law*
- *Representative of the state at World Bank missions*
- *Representative of the state at the UNFCCC COP21 (Paris, 2015)*

Civil Diplomacy

Civil Young Diplomat, May 2014 – December 2015

- *Brazilian Head Delegate for the G20 Youth Summit Australia 2014*
 - o *Responsible for the delegation*
 - o *Representative at the working group for sustainable development, where I got my proposal approved and, thus, included in the document that went to the main summit. I also helped mediate interests between other countries representatives (such as Saudi Arabia and the Germany regarding oil) so we achieved a consensual document*
- *Brazilian Delegate at the IMF and World Bank Spring Meetings*
- *Member of the International Delegation at the Youth World Summit*

Brazilian Federal Justice

Intern, August 2009 – July 2010

- *Writing decisions and expeditions*

Italian Federal Ministry of Labor

Collaborator ITES Project, February 2009 – December 2009

Brazilian State Justice (Espírito Santo)

Intern, March 2008 – November 2008

- *Writing decisions and expeditions*

Self-employed

Consultant, October 2013 – present

- *Selected examples:*
 - o *For the Vitoria Municipality, in order to review and structure the municipal legislation for sanitation*

- *For the State prosecutor's office, in order to design their waste management project*
- *For the Serra Municipality, in order to review and establish new guidelines for their single-use plastics policies*
- *For a case law against Arcelor Mittal regarding the air quality in Vitoria and Espirito Santo, its connections with the population health and the legal implications to the company, including its possible liabilities in an international process*

Self-employed and others

Teacher (Physics, Math and Chemistry), February 2007 – December 2011

- *Private lessons*
- *NEO High School*
- *FABAVI University*

PREVIOUS CONSULTANCIES

MANDATE OF THE UNITED NATIONS SPECIAL RAPPOREUR ON TOXICS AND HUMAN RIGHTS, Washington-DC (USA) and Geneva (Switzerland), 2021

Consultancy for the report about plastics to be presented to the United Nations General Assembly.

KOREA ENVIRONMENT CORPORATION, South Korea and Germany, 2021

Consultancies about plastic waste management, plastic taxation, and regulatory improvements.

CASE LAW AGAINST VALE S.A., Brazil and England, 2020

Consultancy about the impacts of air pollution in the respiratory health.

SERRA MUNICIPALITY, Brazil, 2019

Consultancy about the legislation on single-use plastics.

EMESCAM UNIVERSITY, Brazil, 2019

Consultancy to the development of the Waste Management Project of the University.

INVITED LECTURES AND KEYNOTE SPEECHES

The Hague University of Applied Sciences, The Netherlands

Lecture about Plastic Pollution and International Environmental Law, May 2023

Lecture to the course Environmental Law

Lecture and Dialogue about careers in International and European Environmental Law, May 2023

Lecture to the Careers Network Project

University of Amsterdam, The Netherlands

Lecture about Plastic Pollution and International Environmental Law, May 2023 (online)

Lecture to the course Environmental Law

Sungkyunkwan University, South Korea

Lecture about Plastics life-chain and international governance, February 2023

Lecture to the Global Environmental Leaders Program, organized by the Ministry of Environment, Republic of Korea and Korea Environment Corporation (K-eco)

University of Colorado, United States of America

Lecture about Legal Aspects of Corporate Social Responsibility, December 2022 (online)

Lecture to the course Sustainability Indicators and Metrics for Master Students

The Hague University of Applied Sciences, The Netherlands

Lecture about Plastic Pollution and International Environmental Law, June 2022 (online)

Lecture to the course Environmental Law

Instituto Politecnico da Maia, Portugal

Keynote Speak - Responsabilidade Corporativa Ambiental, May 2022 (online)

Opening lecture to the Law Programme

The Hague University of Applied Sciences, The Netherlands

Lecture about Plastic Pollution and International Environmental Law, June 2021 (online)

Lecture to the course Environmental Law

University of Colorado, United States of America

Lecture “Measuring Plastics and Taking Measures”, November 2020 (online)

Lecture to the course Sustainability Indicators and Metrics for Master Students

University of Colorado, United States of America

Lecture about Corporate Social Responsibility and Reporting Initiatives, October 2020 (online)

Lecture to the course Sustainability Indicators and Metrics for Master Students

FAMAM, Brazil

Keynote speak about Concepts and Perspectives on Sustainable Development, July 2020 (online)

Opening lecture to the Master Programme on Regional Development and Environment

The Hague University of Applied Sciences, The Netherlands

Lecture about Plastic Pollution and International Environmental Law, June 2020 (online)

Lecture to the course Environmental Law

TEDx Talk, Brazil

Keynote speak about the plastic pollution – challenges and potential solutions, November 2019

Independently organized TED event. Available (in Portuguese) at: <https://www.youtube.com/watch?v=SFU3yRL6OAY>

MEMBERSHIPS AND AFFILIATIONS

From 2020

Member of the Governing Plastics Network (founded in 2020 by UK Research and Innovation - UKRI, through the Global Challenges Research Fund - GCRF).

From 2019

Member of the European Society of International Law (ESIL)

From 2012

Lawyer registered at the Brazilian BAR Association (18.856-ES)

OTHERS

Organization of several events, exams elaboration, participation in several events, participation in over 100 benches of graduation and undergraduation thesis, participation as Judge at the Inter-American Sustainable Development Law Moot Court Competition 2014, participation as Judge in several editions of the Legal Olympics and Legal Olympics for High School Students.

METRO - Institute for Transnational Legal Research: PhD researcher from April 2017 until June 2020, and external fellow from June 2020 to date.

United Nations University Water Research Network: Researcher from January 2021 to date.

Research Group "State, Constitutional Democracy and Fundamental Rights": researcher from August 2009 until September 2020 (from undergraduate to PhD)
